## CAN'T LOSE HAIR

Twenty Years From Today a Bald-headed Man Will Be An Unusual Sight.

One of the most prominent druggists of America made a statement a few weeks ago which has caused a great deal of discussion among scientists in the medical press.

He said: "If the new hair grower, Mildredina Hair Remedy, increases its sales as it has during the past year, it will be used by nearly every man, woman and child in America within eight years."

"When Mildredina Hair Remedy is used almost universally, dandruff will disappear and with its departure baldness, itching scalp, splitting hair and all scalp diseases will follow and twenty years from now a bald head will be a rarity." ## Tonoline is Beauty Aid Announces Specialist

Mildred Louise Talk of Interest to Women.

As health is a first aid to beauty this story, told by Mildred Louise, beauty specialist, of Boston, Mass., is of unusual interest.

"I can recommend no better healer than tonoline," said Mildred Louise.

"I was for many months a victim of stomach trouble and nervousness. I had suffered terribly from pains that followed eating. Headaches also would add to my worries. Poor digestion finally brought on nervousness."

Relief came, however, when I took the advice of several women who said, "Take tonoline."

"Not long after I started the tonoline treatment, my patrons began to remind me of the improvement in my condition. And because health is the quickest way to beauty, the improvement was particularly noticeable in my face."

"What tonoline really did for me I cannot say. I am so grateful that I am very willing to recommend tonoline publicly."

Tonoline is a purely vegetable preparation which goes to the seat of common maladies—stomach and kidney troubles, catarrhal affections of the mucous membranes, liver ailments and impurities of the blood—and quickly restores proper action. Tonoline is being explained daily to many people at J. A. Hart Drug Co.

Notice:—As tonoline is a wonderful flesh builder it should not be taken by any one not wishing to increase his weight ten pounds or more. Although many reports are received from those who have been benefited by tonoline in severe cases of stomach trouble and nervous dyspepsia, chronic constipation, etc.

## HIGH POINT, ROUTE NO. 4.

(By Mary A. Clodfelter.)

John Lee Shoaf found a bee tree near Shady Grove church and got Charley Weavil to cut the tree for him as he was afraid of the bees, also Ernest Weavil and T. S. Ford went along to assist in the cutting. Charley was to have the bees for his work and Shoaf the honey. When they cut the tree they found about ten feet filled with honeycomb and they thought they were in it. They began to take out honey, as they thought, and had so much they filled several cans and pans. Shoaf told them to eat all they could and they helped themselves. All carried home honeycomb to their families, Shoaf the most. Sunday morning when the good housewives went to put away their honey they found that they had been eating dry comb and not honey.

Prof. John Cheek and his brother and their families left Wallburg last week for their new home at Durham, where they both hold positions. We are sorry to lose these good people from our midst.

Thanks to the editor for sending samples of The Review on the route. They were appreciated very much.

The writer called to see Mrs. Luther Green last week. Glad to find her as well as she was. Hope she will soon be well again.

Charley Smith is having his rye cut today.

The farmers are busy working their corn and vegetables.

C. C. Smith and D. E. Clodfelter have been scraping the roads since the recent rains.

D. B. Clinard is back home from the veterans' reunion at Washington and reports a nice time. May he live to attend many more such gatherings.

Guy Whicker, while hauling sand in the yard at Ezra Montsinger's, had the misfortune to get hurt. While he was trying to back the horses one was unruly and got astride the tongue and he stepped in front of the horses and one struck him with its front foot, cutting a gash on the forehead. He is getting along alright now.

Dr. Loren of Winston was called to see Mrs. Luther Green, also Dr. Phillips met there. She is no better at this writing.

Somebody's dog broke into L. D. Myers' spring box and ate four lbs. of butter and all their milk. People should not be allowed to keep such dogs and allow them to run at large.

We have been having good showers of rain. Vegetables are growing nicely. The writer had cabbage for dinner today from seed sown this year.

Mrs. C. C. Smith has been indisposed for the past week.

## HIGH POINT ROUTE 1.

(By Vidi.)

We are sorry to note that Mrs. J. R. Cook continues in feeble health.

Miss Esther Bolling is spending the week in Greensboro, the guest of her cousin.

Mrs. Riley Smith suffered another stroke of paralysis Sunday night and has been unconscious ever since.

Mrs. Richard Crouch of Mechanicsville and her daughter-in-law, Mrs. Myrtle Crouch, are both confined in bed with sickness.

Arthur Goodman, who has been suffering with rheumatism, is some better, we are glad to note.

It seems that somebody is preparing for hard times or something else. Some one entered the smoke-house of A. A. Gordon one night last week and stole a large ham of meat, a shoulder and part of a middling, the largest pieces of meat that he had. Mrs. Creakmore had some canned fruit and some empty cans stolen. Mrs. Coble had a bucket stolen. E. E. Spencer has had some chickens stolen and Mrs. Creakmore also.

Later.—Mrs. Riley Smith died Tuesday morning at 9 o'clock, June 12th. The relatives have the sympathy of the neighborhood.

## RESULTS TELL

There Can Be No Doubt About the Results in High Point.

Results tell the tale. All doubt is removed. The testimony of a High Point citizen.

Can be easily investigated. What better proof of merit can be had?

Mrs. E. C. McIntyre, 312 Morris St., High Point, says: I had an awful pain across my kidneys. When I got down I couldn't straighten up. Sharp, knife-like twinges caught me in my loins and I could hardly catch my breath. I couldn't bear the pressure of my clothes on my back, I was so sore. Night and day, I suffered just the same. I doctored but didn't get much relief until I used Doan's Kidney Pills. The first dose helped me and after I had taken one box, my back was as strong as ever. I haven't had a spell now in over three years.

## Dixon a Thought Stirrer

Chautauqua Lecturer Member of Famous Family.  
Brother of Thomas Dixon, Author of "The Clansman."

Some lecturers come with an hour or two of Fourth of July hurrah! Next day it's all over, except the headache. Some take you out picking flowers. Pretty and pleasant, but that's all. Another class—Dixon belongs here—go plowing and harrowing right through your own little garden of sentiment and politics rooting up just the plants you pet and prize most. You are vastly disgusted, but you know down deep that there will soon be greener and sturdier shoots to thrive where the old ones grew.

Mr. Dixon is sower of thought seeds that have a right to germinate in the year 1917. This summer he will drive home the propositions of community health in his newest lecture, "Uncle Sam, M. D."

Frank Dixon is a conservative radical, a friend of things as they are, who yet believes in challenging them to give account of themselves. He is an ardent patriot and an eloquent lecturer, a great combination. You may not agree with him, but must respect his judgment.

The Dixon family is a great family. The father was a celebrated Baptist preacher in the Carolinas. The three sons are all celebrated speakers. Thomas Dixon, Jr., is the celebrated Baptist preacher and lecturer, and the author of "The Clansman," from which the "Birth of a Nation" was made. A. C. Dixon recently left a church in Chicago to become pastor of Metropolitan Tabernacle, London, England. Frank Dixon is the most eloquent of the brothers and one of the most eloquent and forceful speakers in America. This is saying much.

Hear him and decide whether the claim is extravagant.
